Welcome to
Course I
Series XVIII

You don't have to be a member of a New Jersey Garden Club to learn about good landscaping practices, or to serve as a guardian or critic of outdoor beauty. Every one is welcome to attend Course I.

This is the 1st course in a four part series. You may take the courses non-sequentially, as long as you complete all four courses within seven years. Each course now contains 10 hours of lectures with reading assignments and examinations for those who wish to be certified.

You will receive a certificate when you:

- Successfully complete courses I through IV
- Belong to the Garden Club of New Jersey
- Subscribe to National Gardener

Certified Landscape Consultants must renew within five years by attending both days of any Landscape Design School. No examination is required to renew.

Once a consultant has renewed four times, they are eligible to apply for Master status.

We hope you will join us! If you have questions, please call the Chair:
